DUANE M. ROBINSON

Hall of Fame for Great Americans

Dear Sirs:

Let me add my voice to those endorsing Clara Barton to the Hall of Fame. I hope that the board of electors will recognize this great American woman who contributed so much to the idea in America that people may serve other people with happiness and joy, with devotion and tenderness, and thereby enrich the life of the served, the server, and the society at large.

Such an action as it is hoped you are contemplating would give modest recognition to this very great "Angel of the Battlefield" in an age when humans are hoping to turn from battlefields to more ennobling pursuits, and Clara Barton's life showed the way.

Sincerely yours,

Dr. Duane Robinson
